"Every Time Every Where"

Company Profile

We are proud to introduce ourselves, M/s **Unicare Fire Safety (India) Pvt. Ltd.** - "UFS", as one of the fastest growing manufacturer of complete range of Fire Fighting Extinguishers, Fire Hydrants and fittings etc. We are also dealing with complete range of fire fighting and safety equipments.

"UFS" products are ISI marked and CE approved. Our company is also having ISO certification. We are proud to mention that "UFS" is one of the few recipients of BIS-License under IS : 15683 in Delhi Region for Portable ABC Powder Type Fire Extinguishers, Portable Mechanical Foam Type Fire Extinguishers, Portable Water Type Fire Extinguishers. Besides we have a full range of ISI marked Trolley Based Fire Extinguishers under different capacities to cater all Fire Fighting Equipment requirements.

"UFS" maintains a work force of fully qualified staff technicians to meet most of the requirements any fire fighting manufacturer company needs. We, with the help of competent work-force ensure adherence to strict quality assurance procedures. One other fact that sets us apart from the competitors is our in-house fabrication shop. A full time staff of welders, fitters and helpers allows us to build our own equipment, as well as make all necessary repairs and modifications.

"UFS" main object is to provide best products at the best rates according to the specifications and requirement of our esteemed clients. Not only providing the products at best rates, we also assure the delivery of our products within the stipulated time. This fact makes us different from others.

"UFS" is promoted by personnel who have more than two decades experience in dealing with the full range of Fire Fighting Products and are credited with expertise of understanding unique requirements of each clientele in a professional manner.

"UFS" engages with professionals to bring out the best product range, with strict Quality Control to create a niche for ourselves. All our key personnel are well experienced in this line of business.

"UFS" adheres and exceeds all servicing standards and protocols providing peace of mind, customer satisfaction and value for money. We, with a team of specialist personnel are fully committed to the fire and safety requirements of the community.

"In Pursuit of Excellence"
